About us:

Star Gate is a full-service interior design company located in Erbil since 2010. Specialized in both residential and commercial design. In addition to our wood and steel workshops that are located in Erbil. In over ten years, we have designed numerous projects for clients and repeat clients as once someone works with us they seem to want to do it again.

Proud to call ourselves a full-service company, we provide our valued clients with a turnkey solution for all of their interior decorating and design planning needs. Whether you have an upcoming renovation or are considering new construction, "Star Gate" specializes in complete product lines to meet your requirements..
